

CODING RAJA TECHNOLOGIES

LETTER OF RECOMMENDATION

16/8/2023

I am delighted to recommend **KAMLESH LODHI**, who recently completed a **WebDevelopment Internship** at Coding Raja Technologies. has shown remarkable dedication and aptitude in this field. During the internship. Excelled in learning new languages and frameworks, consistently delivering high-quality work. The collaborative nature of stood out, actively contributing to group projects, offering innovative solutions and fostering teamwork. The ability to communicate complex ideas effectively was commendable. With a keen eye for problem-solving, created projects that combined functionality and aesthetics. Consistently met deadlines and eagerly sought and implemented feedback.
